The Olympic sport of fencing provides a great physical and mental workout and is lots of fun to learn to do. Learning to fence is a challenging mix of physical and tactical training that is equally suited to boys and girls. Our fencing program is provided in a safe environment and we emphasize safety rules at all times.

Beginners, Intermediate & Advanced Fencing Summer Camp is designed for kids 6 years and up who are new to, have recently been introduced or presently active with the sport of fencing. Our teaching philosophy is based on working one-on-one with our fencers to develop individual skills in a group-learning environment.
